

UNICITY

Daily Produce 24

According to research conducted by the U.S. National Cancer Institute and the National Research Council, only 9% of adults meet the recommended daily intake of at least five servings of fruits and vegetables. However, even if we consume enough, current harvesting, processing and cooking methods often reduce the nutritional value of fruits and vegetables.

Daily Produce 24 contains 24 kinds of fruit and vegetable extracts, which can improve general health, act as antioxidant, and protect body cells from free radical. The ingredients are 36 times concentrated and wrapped in Vcaps® plant-based capsules, which is 100% natural.

Fruits and vegetables contain powerful and irreplaceable phytonutrients. Nowadays, advanced technology is able to store and maintain all the nutrients in fruits and vegetables into capsules, which can help to supplement insufficient nutritional intake in our daily diet.

Features & Benefits

- Patented Flash Glancing technology to remove cellulose and water until the oxidation efficiency of fruits and vegetables can be retained in the powder.
- The formula effectively retains the nutrients in fruits and vegetables - vitamins, minerals, phytonutrients and enzymes, etc.
- Highly effective antioxidant, protecting cells from free radical damage

Recommended Use

Take two capsules of Fruit Infusion with a full glass of water at mealtime in the morning.
Take two capsules of Vegetable Infusion with a full glass of water at mealtime in the evening.
