

UNIMATE LEMON

Your all-time favourite is here with a zesty twist. Unimate Lemon is packed with the same energizing and performance-elevating benefits as Unimate, but in crisp, refreshing lemon flavour.

Suitable as a cold refreshment for hot afternoons or a warm pick-me-up at home or the office, enjoy Unimate Lemon any time of the day for lasting, sustained energy.

Unimate Lemon contains chlorogenic acids, antioxidants, vitamins, and

minerals beneficial to your health, and acts as a natural source of caffeine and theobromine, with 10 times the amount of bioactive compounds and beneficial minerals as regular yerba mate.

Containing natural ingredients and no preservatives, get an extra refreshing boost in energy, mood and health with Unimate Lemon.

BENEFITS

Refreshing lemon flavour suitable for both hot and cold consumption.

Naturally-occurring levels of theobromine, caffeine and mate saponins help in enhancing sport performance and stamina.

Helps support cognitive function, mental focus and productivity without negative effects such as crashing or sugar spikes.

SUGGESTED USE

Dissolve 1 packet with 500-700 mL of water. Mix well.

May be taken hot or cold.

Consume one packet daily.

Supplement Facts

Serving Size 1 Packet (6.1 g)
Servings Per Container 30

Amount Per Packet

UniMate	3g
<i>Ilex Paraguariensis</i> (Yerba/Green Mate Leaf Powder Extract)	

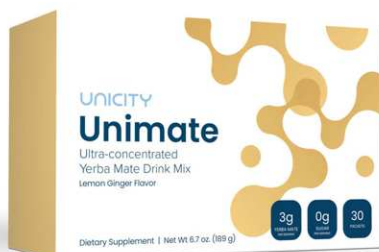

OTHER INGREDIENTS

Erythritol, Citric Acid, Sodium Gluconate, Natural Flavours, Rebaudioside A (Stevia Leaf Extract), Sucralose.

UNIMATE

Unimate contains naturally occurring caffeine and up to 10 times the amount of chlorogenic acid found in a premium cup of coffee. Unimate's yerba mate undergoes a unique five-step process—handpicking, fire roasting, extracting, concentrating, and purifying. The result is a beverage that boosts the mood and heightens mental stamina, focus, motivation, and endurance.

UNIMATE LEMON GINGER

Spice up your usual energy boost with Unimate Lemon Ginger. Created to give the same energy and mood-boosting effects as Unimate, our new Lemon Ginger flavour adds a refreshing twist to help perk up your day.

Aromatic and comforting, enjoy it hot or cold to revitalize and reach your full potential any time of the day.

Packed with chlorogenic acids, antioxidants, vitamins, and minerals beneficial to your health, Unimate

Lemon Ginger is a natural source of caffeine and theobromine, with 10 times the amount of bioactive compounds and beneficial minerals as regular yerba mate.

Unimate Lemon Ginger is perfect if you're feeling under the weather, or simply looking for a preservative-free pick-me-up that contains natural ingredients.

Benefits

Aromatic lemon-ginger flavour helps give a revitalizing boost to your day.

Naturally-occurring levels of theobromine, caffeine and mate saponins help in enhancing sport performance and stamina.

Helps support cognitive function, mental focus and productivity without negative effects such as crashing or sugar spikes.

Suggested use

Mix the entire contents of 1 packet (6.3 g) with 17–24 oz. (500–700 mL) of hot or cold water.
(add more or less to taste).

Drink once per day or as desired.
